

# Week 6

---

Nursery and Primary 1

During some of our carpet sessions we have been practising our listening skills, we have enjoyed working with the instruments. We decided to have a bit of a class band one day-loud, quiet, fast and slow!

This week we have been thinking about how we can be a good friend. We read the story of the Rainbow Fish who learnt how to share. We made our own Rainbow Fish to practice our skills of working and sharing with others.

The next day we tried to remember the story of the Rainbow fish. How did everyone feel and why? What important things happened? Some of us helped to act out the story with puppets. We all joined in to tell the story

There are lots of opportunities in our own choosing time to practice these skills too.

We have also enjoyed our finger exercise sessions. It is important that we move our hands, arms and fingers in different ways to build up good writing muscles. But best of all it is fun!!

**We also wished Daan and Chinonso a  
very Happy Birthday**
