

Houses and Homes

Week 1 News

Nursery and Primary 1

This week we have enjoyed the story of the 'Jolly Postman'. The postman went around delivering cards, letters, posters and other things to peoples homes. He visited people like the 3 Bears, the Big Bad Wolf and even Humpty Dumpty. We worked together to make some of the houses that he had visited.

We worked together, shared the paint, took turns and had to look carefully to make sure we had things in the right place, that they were the right colour and that we had all the things we needed.

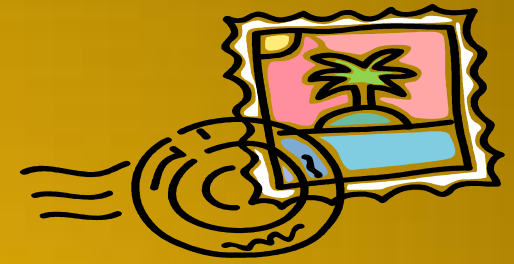

There was even time for some exploring as Karen had to make the brown paint..would all those colours make brown?

It was also a great time to work together. Some of us helped to clean all the equipment ready for the next group of children.

The role play area then became a Post office. We watched some videos to help us to understand what might happen in a post office. We saw things like a post lady on a bike, someone buying a card, people buying stamps, parcels getting weighed and letters being sorted.

“I have just phoned the post van and it is on it’s way.”

“ Can I buy a birthday card please? ”

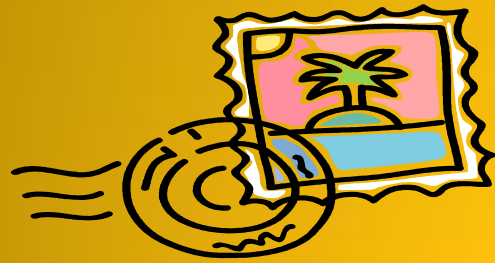

“ Which letter does this go with? ”

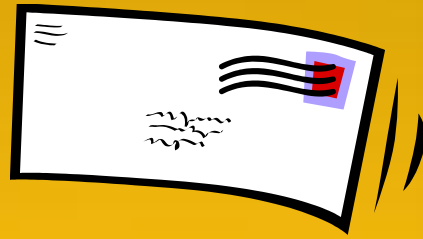

Writing letters

Buying stamps

Stamping parcels

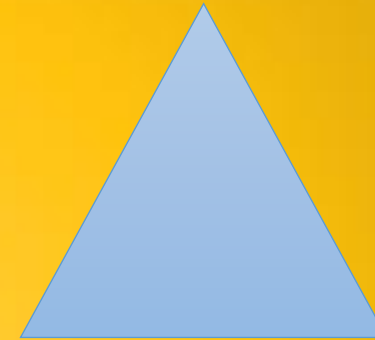

Weighing parcels

Delivering mail

We also practised the names of some of the 2D shapes. We used the 2D shapes to build our own houses for the 'Jolly Postman' to visit. We talked about the shapes we used.

One Morning Karen told us that she had found something interesting. We went and told Anne's class and we all met up to see what had been found. Inside 4 little boxes were 4 little doors.....Now what are they from?

A Fairy House !

A Fireman's House !

We used our imaginations, some pens and some paints and talked about and drew the rest of the house that went with the doors.

What type of house do you think they came from?
