Week 6 Phonics

j v w x

Please use the following slides to support and reinforce the phonics we have been doing in school. Your child should be familiar with the activities and if you have any questions please don't hesitate to email me.

The sound made by the letter x at this stage is mostly heard at the end of words and may need to be modelled to your child e.g. **box**

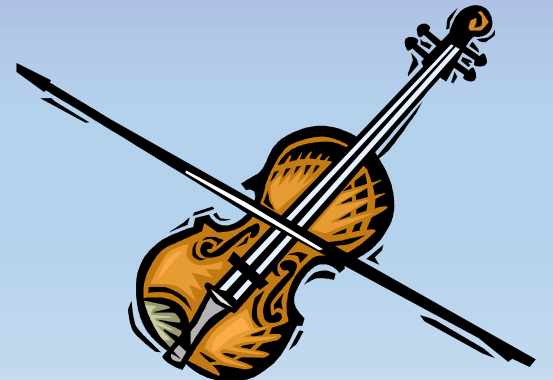

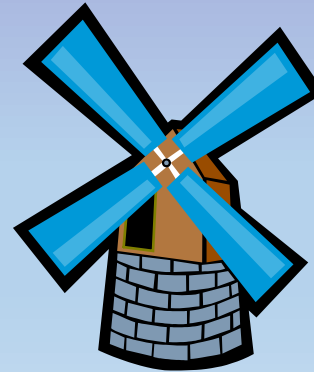

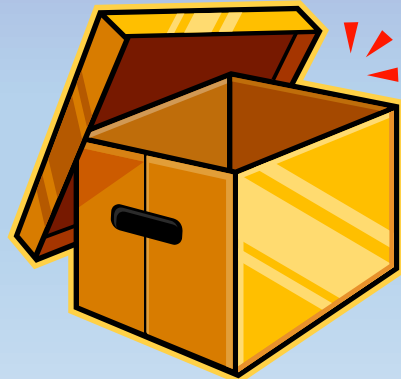

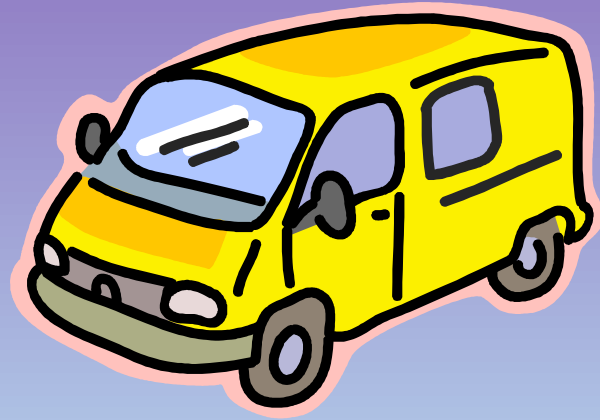

Please remember children progress at different rates and your child may not be confident with all the activities.

Quick and short regular practice can help your child rehearse their developing skills.

The very last activity includes sounds from the previous weeks.

Can you find the things that start with these sounds?
