

Welcome

Nursery & Primary 1

Welcome to Nursery. My name is Karen and I will be your teacher. This book will help you to find out about your new school and class here in Gamba.

Here is our classroom.
We start at 7.30am
when the bell rings.
There is lots to do and
learn. There are lots of
chances to play and
make friends. There are
times for listening and
working with me and in a
group.

WRITING AREA

BUILDING CORNER

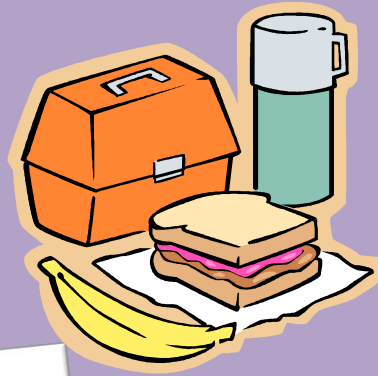

ROLE PLAY

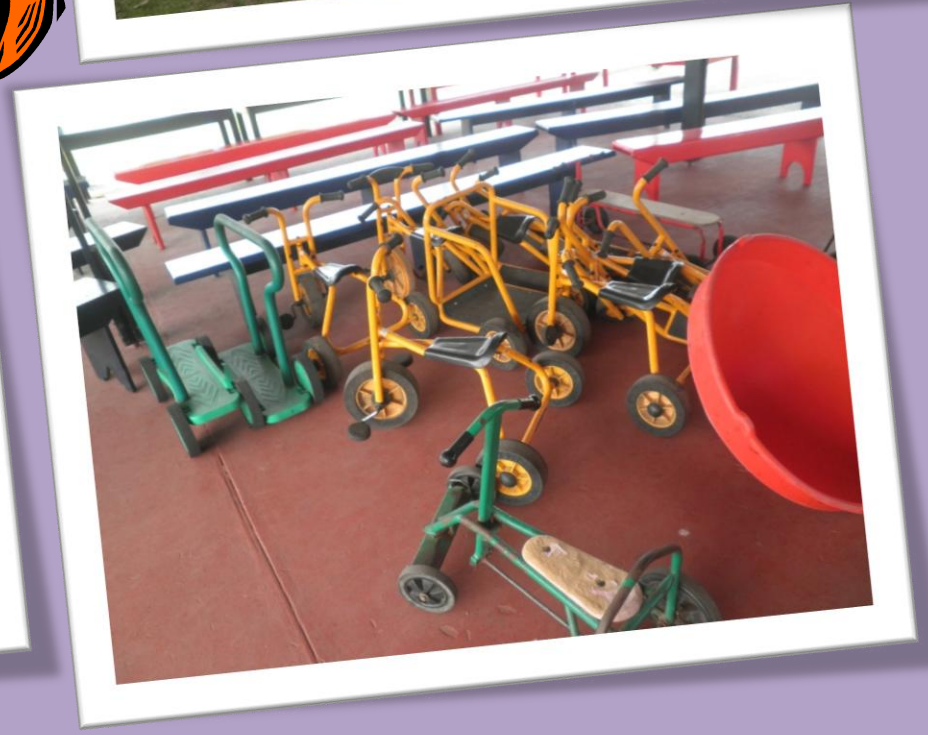

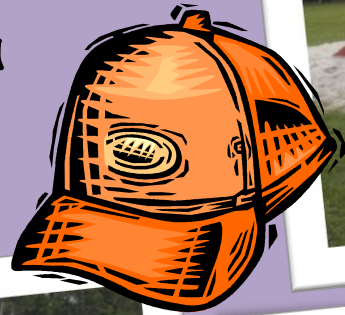

COMPUTER AREA

Next to our classroom are the toilets, pegs to hang your bag and our snack area. We have a snack time at 9.15 and 11.15. Don't forget some snacks and some water.

After snack we have outdoor play with the rest of the school. You can only play outside if you have a hat, so don't forget it! It is also a good idea to have sunscreen on too.

On a Thursday we have swimming. Lots of children wear their swimming stuff to school so don't forget your towel and some dry clothes. On a Thursday your grown picks you up from the pool at 12.15

We also go to the school library during the week and you can choose some books to take home and share.

We also go over to computer room for some computer lessons.

We also walk over to the gym hall to play games and do P.E and Dance.

Some days we meet up and have a whole school assembly.

Nursery finishes at 11.15am when your grown-up can come and pick you up. The older children stay and learn for a little longer.
